Support was provided to a single mother to give her a Christmas present in the form of financial relief so she can have respite for herself from the extreme exhaustion.

Par-Tee Night Out

Saturday, October 14, 2023

October is the Annual Fund month for the RUMC Foundation, Inc. It is the one time a year we celebrate with fun ways to support the RUMCF operations budget and enjoy fellowship. Since 1991, the Foundation has not used donor endowment earnings to manage the endowments. This means, 100% of the grant funds go to the donor's designation! This is why the October Annual Fund month is so important to the function of the Foundation. Come support!

From the 2022 Chairman *Brook Scardina*

Over the course of the past 3 to 5-years, the Foundation has managed to respectively generate a return of 3.21% and 5.2%. These results have been instrumental in contributing to the growth of the endowments while successfully supporting each specific designation.

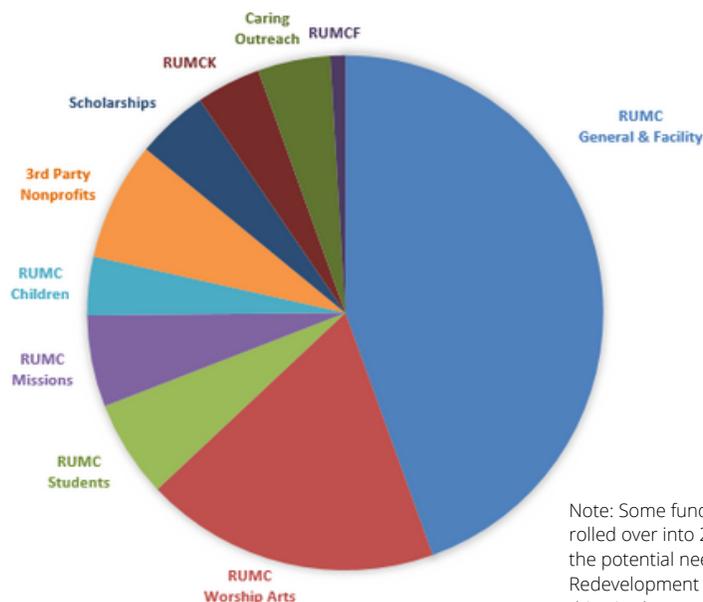

This past year (2022) proved to be an extremely challenging period for financial markets with most asset classes experiencing negative double-digit returns; however, during times like these, investment performance should be viewed over a longer-term time horizon (3-5 years) in order to avoid financial behavioral bias when making investment decisions. Our partners at the Georgia United Methodist Foundation (GUMF) and Wespeth have prudently managed our assets for a strong future.

The RUMCF board takes a great deal of thought in helping to advance the strategic and faith-based mission of the Foundation. For example, we are refreshing the 5-year strategic plan to take advantage of opportunities to grow and we obtain more detailed reports from GUMF to be more aware of strategy and results.

I hope the grant stories within this Annual Report warms your heart as it does mine and inspires you to think of your legacy. We have so much to celebrate in the life and body of the Foundation and Roswell United Methodist Church.

Special thanks to all those who have and continue to support the Foundation through their time, service and gifts.

Fund Designation Comparison

Note: Some funds in General Use were rolled over into 2023 distribution due to the potential needs around the Commons Redevelopment and are not reported in this pie chart.
